

## Information

Registration:  
For attending the meeting no registration is required.

Call for posters:  
Attendees can present posters on all neuroscientific topics. Posters will be grouped into four categories (development, plasticity and normal function of the nervous system, diseases of the nervous system, regeneration and reorganization).

For registration of posters please contact:  
Martina Hütten  
M.Huetten@em.uni-frankfurt.de

Deadline for poster registration:  
15th February 2009

Transport:  
The meeting venue can be reached by public transport (tram lines 12 und 21 from the main station).

Parking:  
Parking facilities (with costs) are available on campus. It is, however, recommended to arrive by public transportation.

For further information regarding this meeting, please contact:
